Dear Organizing Committee Members of JCrete 2016,

Kolymvari Junior High School appreciates your most kind gift at JCrete Conference at OAC in August.

Our mission has always been to integrate new technological trends in teaching. We gratefully acknowledge your generosity, because of which we are able to further this mission.

Thank you again for your continuous support, which we regard as a vote for confidence in our school. We hope that you will continue to partner with us in our commitment to provide quality education to our students in 2017 as well.

On behalf of the school community, I am sending you our warmest wishes for a prosperous, happy and successful new year. Override the challenges and bring in the changes that you aspire to see.

It will be a great pleasure to meet you again in summer.

Kindest regards,

Headmaster Stylianos Papadakis
